

Dear Parents,

Annual Event Schedule 2023/2024

Please see below a list of events timetabled throughout the year. Be advised that dates and details are subject to change and events can be both added and removed from the schedule.

This list has been created by the Senior Leadership Team at Poulton Lancelyn with the intent of supporting parents and families with scheduling time off work and knowing what financial donations will be asked for by school. Events will also be added to the website calendar and individual letters about the events will be sent to the relevant parents.
