Whole School Messages	<p>SCHOOL MENU WEEK 1</p> <p><u>Coats</u> As we approach the winter months, the weather can become very cold and wet. It is important that children have a suitable coat, that will keep them warm and dry, with them in school each day. Thank you for your support.</p> <p><u>Equipment Donations</u> Thank you very much for all of the donations received in school so far. We are looking for further donations to support KS1 imaginary play: small dolls houses and small world toys for our KS1 classes.</p> <p>We are also looking for more resources for our sensory circuits such as space hoppers, yoga balls, a small mini trampoline, stepping stones, wobble boards and pop-up tunnels (please see images attached separately). If you have any of these items at home that are no longer in use, we would be extremely grateful.</p> <p><u>Parent Forum</u> This year’s first parent forum will take place on Tuesday 22nd October in the school hall at 2pm. Like last year, there will be an agenda set by Mr Milne to give parents the opportunity to offer feedback on certain aspects of school.</p> <p><u>PTA</u> Please find attached Autumn BTR poster for 24/10/24 and a Save the Date Poster with our events that are taking place in Autumn 2.</p> <p>We have also attached a newsletter that highlights how you are able to help the PTA raise much needed funds for the school. The 3 highlighted topics are:</p> <ol style="list-style-type: none"> 1. Annual Raffle 2024 – Request for individual and company donations 2. Matchfunding – how it works and how you can help 3. Easy Fundraising – what it means by setting this up and how it contributes to the PTA <p>All the information from the AGM is now on the PTA section of the school website</p>
