Mrs Hutchinson	01/02/22		<p>I was born and raised on the Wirral before leaving to study teaching at university. After graduating I lived and taught around Staffordshire and Cheshire. My final teaching placement was as a Deputy Head in a primary school in Stoke on Trent, where I was also the year 6 teacher.</p> <p>I put my teaching career on hold and became a full time mum. We relocated back to the Wirral about 4 years ago as we felt we needed to be near family with 3 children under 2!</p> <p>When the position for Parent Governor became available I decided to apply as I'm passionate about educating young children. I also welcomed opportunity to work collaboratively with all members of the school community to continue to develop the already sound practice that takes place at Poulton Lancelyn for the benefit of all the children who attend.</p>	parent
