**Aims 2016-2017**

Poulton Lancelyn Primary School endeavour to provide all children with opportunities to lead a healthy and active lifestyle. We provide high quality Physical Education lessons, a large variety of extra-curricular clubs and Active Play sessions are part of our lunch time provision. Our aim is to ensure that all pupils enjoy physical activity at their own personal level, whether this is socially with friends at lunch time or through competitive competition against other schools. In order to accomplish this, we have allocated our PE budget towards purchasing professional support, equipment and resources.

**Measuring the impact of the PE & School Sport Grant 2016- 2017**

We continue to establish links with Bebington High Sports College. This includes:
