

Dear parents,

September 2018

We hope that you have all enjoyed your Summer break.

We have welcomed well-rested and eager children back into school today and we are sure that they will have plenty of news to share with you this evening about the activities they have completed with their new teachers. We would like to welcome Mrs Swift as our new Year 3 teacher and Lower Junior Phase Leader, and congratulations to Miss Chilvers on her marriage during the break - we welcome her back as Mrs Gawne.

Many thanks for your patience and co-operation with our new drop-off arrangements this morning. The children benefitted from a punctual start to their lessons and parents leaving the site promptly has allowed the historic parking congestion to be alleviated somewhat and we hope that this continues to improve further as everyone becomes more accustomed to the routine. I would like to remind you of the need for courtesy to our neighbours when parking - please ensure that driveways are not blocked in any way.

We have many exciting events planned for this Half-Term and look forward to seeing you.

Many thanks

**Mrs Arnold**

**Headteacher**
