Learning shapes names and making monsters

Playing in the doctors

Writing letters in the sand

Learning phonics with Fred!

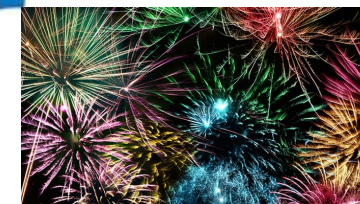

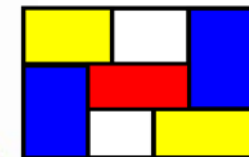

Like doing PE

Poulton Lancelyn Primary School

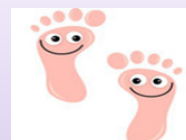

Colours of the World! What colours make you feel happy and sad?

Year F2

**Learning Letter and Extended Home Learning Challenges
Autumn 2 2018**

Literacy

In writing we will learn to mark make and form our letters using our cursive handwriting. We will be learning what a sentence is and how to write a simple one. We will write lists and letters.

In reading we will be reading key words and apply our phonics skills to decode, segment and blend and read tricky words.

We will be listening and responding to stories, rhymes and poems, Some fiction books we will read include Elmer, Handa's Surprise, Rainbow Fish and the Jolly Postman. We will learn about the Cold places and the animals that live there using non-fiction books. **Challenge! Can you practise writing letters and words? Can you put the words into a simple sentence? Continue to practise writing your full name.**

Phonics

We will be continuing with our phonic sounds from RW1 and learning the red (tricky) words that can't be sounded out.

m, a, s, d, t, l, n, p, g, o, c, k, u, b, f, e, l, h, sh, r, j, v, y, w, th, z, ch, qu, x, ng, nk.

Red words Set 1—I, the, my, you, said, your, are, be, of, no

We will be reading ditty books using our blending skills and learning to write words and simple sentences.

Maths

In maths we will be continuing to count from any number forwards and backwards from 0 -20. We will be continuing to write our numbers 0-10, then 11 to 20. We will learn to say 1 more and 1 less and how to add and subtract and write a number sentence. We will be learning about 2D and 3D shapes and positional language. We will be ordering, sequencing events, patterns, length and height and exploring money. **Challenge! Can say the number that is 1 more or 1 less? Can you find 2 more or 2 less than a number?**

Communication & Language

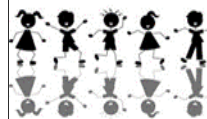

We will be learning to be a good listener and a good speaker as we make new friends. We will also be working with a talking partner to share our ideas. We will be listening and responding to stories and rhymes. We will be learning how to ask and answer questions.

In **PSHE**, we will be following the next JIGSAW unit of work which focuses on celebrating differences.

Friends

Personal, Social and Emotional Development

We will talking about our feelings and emotions learning about making choices through our philosophy sessions. Through different a range of activities we will develop confidence in speaking in different scenarios

Understanding the World

We will be learning about the seasons and nature including hibernation. We will be experimenting with changing materials using melting and freezing. We will be learning about night and day, light and dark including investigating shadows. We will focus on people who help us in the community and the journey of a letter and email. We will learn about the history of bonfire night and Guy Fawkes. We will learn about Remembrance Day. We will learn about keeping safe at home and in school. We will learn about Christmas and the traditions and celebrations at home and around the world.

Challenge! Retell your favourite story. Can you say which characters are your favourite and why? Practise answering in a full sentence and use the word 'because'. E.g. I like Elmer because he is very colourful and funny.

In **Religious Education** we will be learning about the Christmas story and the special baby.

Rights Articles:- 42 - All adults and children should know about the 'Childrens Rights Convention' You have the right to learn about your rights and adults should learn about them too.

Enhancement:- Art visitor Elmer and Rainbow Fish workshop **2nd November 2018**

Expressive Arts and Design

We will be exploring the creative area and all of the different materials. We will learn about Mondrian the artist and recreate artwork in this style. We will make firework pictures and make 3D models. We will be learning to mix colours and exploring what happens when we mix different colours and textures together. We will use fireworks to create music and dance. We will be making Christmas crafts and learning techniques to joins materials together. Then we will be singing Christmas songs and carols ready for our special performance to parents. **Challenge! Can you find out what colours are made when you mix them together? How do the colours make you feel?**

Physical Development

We will be learning to negotiate the space around us. We will practise balancing and travelling in different ways . We will be using different tools and learning how to use scissors correctly to cut. Our teachers will be teaching us how to hold our pencils correctly between our two fingers and thumb and we will practise writing our letters and use these letters to make words and sentences.

Challenge! Practice cutting out at home and using scissors correctly.

Enhancement:- We will be writing letters and learning about the journey of a letter. We will have a walk to the post box outside school to post a letter home. **(4th Dec 2018)**
