

Dear Parents,

23rd November 2017

Unfortunately we have recently experienced a number of parking related incidents during drop off and pick up. The Community police are aware and will monitor the situation. We would like to remind you that it could be an offence to park or drop off children on the yellow zones if an obstruction is caused, as it can put the Health and Safety of our community at risk - fixed penalty notices can and will be issued.

We would also remind you that the car park is strictly staff only and children must not be dropped off or collected from this area at any time.

Any incidents of verbal abuse will not be tolerated and will be reported to community police.

The ongoing safety and welfare of our pupils is of paramount importance at all times. Our Road Safety team have been working closely with PC Phil on these issues and an assembly on Road Safety will take place next week.

Your assistance with reinforcing this important message by parking safely is greatly appreciated.

Yours sincerely,

Mrs C Arnold
Headteacher
