### What are we learning?

### Key phrases

Lesson 1:

To tell someone the weather with expression and fluency

Lesson 2:

To converse with someone about the weather, using accurate punctuation

Lesson 3:

To talk about seasons with expression and fluency

Lesson 4:

To write a short conversation about the weather using accurate punctuation

Lesson 5:

To have a conversation about the weather and seasons in Spanish

Lesson 6:

To orally produce a weather forecast

Lesson 7:

To use a retrieval strategy to revise knowledge learned

Each type of weather starts with **hace**, **esta** or **hay**

For example:

**hace calor** – it is hot

**hace frio** – it is cold

**hay tormenta** – it is stormy

**está nevando** – to snow

### Retrieval

**lunes**- Monday

**martes** – Tuesday
