

Poulton Lancelyn Primary School

Dear Parents,

21st January 2019

Firstly, thank you for your support with your kind donations to our chosen charities so far this year and supporting our aim to make all children agents of change.

This term we will supporting the following charities:

Red nose day/Comic relief 15th March

This include a "wear something red" day and children voluntarily participating in a stand-up style "Poulton's Got Talent" competition (more details to follow next half term)

Fairtrade fortnight (end of February)

Focussed discussions and activities in classrooms so all children have a clear understanding of fair trade and the need for equality in the world.

NSPCC

We are delighted to be working alongside this excellent charity. The NSPCC have provided a workshop to parents involving e-safety and will be in school on 11th February to delivery assemblies too. On 28th February, the children will be participating in a sponsored circuit training event to raise money and awareness for children whom the NSPCC supports to have a full and healthy life (linked with articles 20 and 27 of the Convention of Rights).

Thank you for your continued support and if you have any questions or suggests for rights or charities, please get in touch.

Yours sincerely,

Mrs Higgins-Carter
