Name	Term Ends	Pecuniary Interest	Profile	Type
Mrs C Arnold	N/A	Husband Teacher		Head
Mrs S Cotton		Chair of Governors at Stanton Road Primary School	<p>My background is in Education. I taught in Wirral from 1978 on a full time basis and was Headteacher of a local primary school for 14 years. I was President of the Wirral Branch of NAHT and also involved at regional level. As a Life member I still take a keen interest in latest moves to influence education in this country. Linked to NAHT, I was a member of the Wirral Schools' Forum.</p> <p>I was involved as an external assessor and tutor in relation to standards of initial teacher training at the University of Chester. When I retired, I was a coach and mentor for some of the newly appointed Headteachers at Wirral Schools. I gained much insight from both of these roles as I have strong commitment to Continuing Professional Development and challenge at all levels within schools.</p> <p>Since 2011, I have been a co-opted governor at Stanton Road Primary School where I am now Chair of Governors. My particular interest is around teaching and learning and the curriculum. I thoroughly enjoy my continued involvement with the school.</p> <p>I am passionate about children being able to achieve the best possible outcomes academically whilst developing confidence and enjoyment of learning. I hope that the leadership and management skills I gained during my career will be of assistance in my new role at Poulton Lancelyn Primary School.</p>	Chair
Mrs A Maple	19/12/20		<p>I have been a Parent Governor since 2012 and one of my two sons currently attends the school. I have a background in Finance, Health and Safety and Customer Service at a senior level, I speak three languages and I believe I can support the school to become Outstanding and give our children the best skill to develop as individuals in the future. I am very keen to work alongside dedicated staff and Governors to offer everyone an excellent education. In my spare time I enjoy meeting with friends, watching films and going for walks around Wirral.</p>	Co opted Vice Chair

Mrs Hutchinson	01/02/22		<p>I was born and raised on the Wirral before leaving to study teaching at university. After graduating I lived and taught around Staffordshire and Cheshire. My final teaching placement was as a Deputy Head in a primary school in Stoke on Trent, where I was also the year 6 teacher.</p> <p>I put my teaching career on hold and became a full time mum. We relocated back to the Wirral about 4 years ago as we felt we needed to be near family with 3 children under 2!</p> <p>When the position for Parent Governor became available I decided to apply as I'm passionate about educating young children. I also welcomed opportunity to work collaboratively with all members of the school community to continue to develop the already sound practice that takes place at Poulton Lancelyn for the benefit of all the children who attend.</p>	Parent
