

As athletes, we will take part in:

- Dance
- Indoor Athletics (throwing)
- Badminton
- Handball

As geographers, we will learn about:

UK Counties and Rivers

- Name and locate UK towns, counties and rivers
- Use Ordinance Survey maps and grid references
- Functions and locations of dams
- Lower, middle and upper course
- The water cycle

As historians, we will learn about:

Anglo Saxons and Vikings

- Invasion and settlement
- Structure of kingdoms and leaders
- Conflict between paganism and Christianity
- Trade across Europe and North America
- Language and culture

In Heartsmart, we will focus on:

Get Heartsmart:

- Consequences of words we use
- Trust
- Healthy families

Don't forget to let love in!

- Feeling loved
- Strengths and achievements
- Celebrating our uniqueness

As scientists, we will learn about:

Classification of Living Things and their Habitats

- recognise that living things can be grouped in a variety of ways
- recognise that environments can change and that this can pose dangers to living things
- use classification keys to help group, identify and name a variety of living things in their environment

Electricity

- Construct simple series electrical circuits
- explore open and closed switches and associate this with whether or not a lamp will light
- find conductors and insulators

Y4 Autumn Term

Learning Overview

As designers, we will design and make:

Anderson Shelter with electrical circuit

- Examine existing products to inform our design
- Use a template or prototype prior to our final design
- Use electrical components including switches
- Evaluate our final product against our design

As musicians, we will learn about:

Viking Saga Songs

- Identify the character of a piece of music
- Perform in two or more parts

Christmas

- Sing a broad range of unison songs
- Sing rounds and partner songs in different time signatures

As computer scientists, we will learn about:

The Internet

- Learn how the internet is a network of networks and how to use it safely and responsibly

Photo Editing

- Develop understanding of how digital photos can be changed, edited, resaved and reused.

As artists, we will develop skills in:

Drawing in the style of Van Gogh and Monet

- Investigate shape, line and symmetry
- Draw showing light
- Produce an art piece in the style of Van Gogh or Monet
- making tertiary colours

As learners of religion, we will study:

The Bible

- Structure and importance of the Bible
- The Old and New Testament
- The impact of Bible stories
- Retell Bible stories

Angels

- The image of angels and what they represent
- The names and roles of important Angels in Bible stories
- The role of Angel Gabriel in the Christmas Story

In Spanish, we will read, write and say words relating to:

In my house

- Birthday
- Family
- Pets
