A hand is shown from the bottom right, using a brush to paint a yellow lightbulb on a whiteboard. The lightbulb is surrounded by radiating lines, indicating it is lit. Other lightbulbs are drawn in black outlines on the whiteboard, some with radiating lines. A large black circle is centered on the whiteboard, containing the text.

Keeping up
with the
Kids

School v Home

School

- Acceptable Use of Internet Policy
- E-safety Policy
- E-safety built into lessons
- Use of proxy server or filter to manage internet access

Home

- Have made any agreements?
- Do you regularly discuss how they are using the internet?
- Do you manage how they access the internet on all devices?

What do we know about our children?

I facetime who I want in my room

I'm always on the net

I have facebook

I just lied about my age

*I use *website* and chat to people*

My x-box accesses the net

My mum doesn't know how much I go on the internet

If my parents want a movie, I can get it.

I can download apps on my phone and iPad

See you on Instagram!

I just type it into Google and get it...free!

Why take it seriously?

Cyberbullying	Grooming	Inappropriate material	Overuse/ addiction
Viruses/hacking	Online reputation	Losing control over pictures/video	How do we help avoid these dilemmas?

Do you talk about when and how they use the internet?

Talk to your child about what they 'watch' or find out on the internet but don't be overly critical

Get your child to think about what personal information they should disclose

Discuss cyber bullying, netiquette and respecting privacy

Always 'report it' or talk to somebody if something is inappropriate

Discuss the fact that not everyone on the internet is who they say they are

Agree with your child how they are going to use the internet and mobile devices

Always discuss the dangers of meeting people they have befriended online

Social Networks

- Most social networks stipulate that users have to be 13 or over...

Fortnite

So what should you do...?

- Research shows us that a large number of children have created a social networking profile before they are at the correct age to do so.
- Respect the terms of use of the site and register with the correct age, as there may be additional protections in place for younger users.
- Discourage your son or daughter to use of these services as best you can, and be aware of services which cater for younger users by having higher safety features.

Commonsense Media has rated many of these sites

Parents need to know that *Kuddle* is a social photo-sharing app designed with kids' safety in mind and the goal of teaching kids photo-sharing etiquette hands-on. To start, kids enter a full name, create a username and password, and enter a birth date and gender. Then they must enter an email address for a parent or caregiver over 18. Kids can immediately start adding photos to their streams, but they can't add friends (so no one else sees the photos) until a parent or caregiver has approved the account through the email sent to them. Kids don't see the privacy policy or terms of service anywhere in the app, but it is linked in the email sent to parents. Kids' full names are shown in their profiles, which are searchable. No photos are seen in the search, but names are. Kids can add captions to their photos, but tagging and commenting are not allowed to prevent bullying. Parents should note that the terms of service state that posted photos can be used by Kuddle for marketing or other purposes.

Key messages when setting up age related social networking services **WITH** your child

Manage privacy settings	Only be friends with people you are friends with in real life	Check you images and video don't give away your geolocation
Think Before You Post	Consider the photos you upload	Log out and password protect your device

Hello, My name is Susie Smith and I live at 123 Indigo Lane, Worcester, WR6 4HJ. My school is Pitmaston and my teacher is Mr Lee and I'm in Year 4 and I am 8. I like playing football and netball and going to the park with my friends on a Friday after school. I play for Worcester Lions on Saturdays at 12

My name is Ellie Brown, I am 9 years old and I go to St George's Primary School. I have lots of hobbies, every Monday I go swimming 7-8 in Kirkstall Swimming Pool. Then on Wednesdays, I have dance from 6-7 in Armley Dance Studios.

My name is James and I like swimming. I am an active person and have lots of friends. My favourite subject at school is PE and I find maths tricky. At home I have a dog who is a puppy and he is very friendly. I have a sister and she gets on my nerves! I'm really happy eating pizza and playing on my X Box Live.

I Love Dancing:
I love dancing, so I've decided to write a blog about it!! go to 3 different dance classes a week. Ballet, Tap and Street dance. I think my favourite has to be street dancing as it's faster, and more interesting and we get to dance to really cool music
