

Dear Parents,

13<sup>th</sup> November 2019

## **SAFETY WEEK - 18<sup>th</sup> November - 22<sup>nd</sup> November**

As part of our curriculum work, next week will be Safety Week. The week is designed to highlight aspects of our lives in which we need to be safe as well as learning about people within our community who help to protect us and our rights.

During the week the children will also be involved in various activities including workshops provided by some volunteer parents, rail safety role play, learning songs, hygiene and safety at home, water safety activities and others.

### **Monday 18<sup>th</sup> November - Workshop for Parents - 5:30pm - 6:30pm - Main Hall**

Parents are invited to an e-safety workshop to help keep your children safe online.

We will discuss how you can manage security and privacy setting on your home Internet and mobile devices. We also look at how you can develop a relationship with your children in using technology in the home.

Here is some information about what parents can expect from the session:

1. Ways to keep your children safe online at home.
2. How to safely manage your personal devices.
3. Advice on using social media.
4. How to help your child use technology safely.
5. Learning to create digital content with iPads

### **Monday 18<sup>th</sup> and Tuesday 19<sup>th</sup> November**

Children will rotate around the school to meet with teachers and some parents to learn lots about being safe in our school, at home and in the community. We have arranged for some volunteer parents to discuss law, how the police keep us safe, stranger danger and safety in the outdoors. Thank you in advance to all the parents taking part.

### **Wednesday 20<sup>th</sup> November**

It's the 30<sup>th</sup> anniversary of the Convention of Children's Rights on this day. All children will be creating art to interpret and celebrate the Convention.

### **Thursday 21<sup>st</sup> November**

Mr Smith's class will be taking part in Cycling Proficiency Lessons

### **Friday 22<sup>nd</sup> November**

Mr Arnold's class will be taking part in Cycling Proficiency Lessons.

Parents will have the opportunity to view the children's work in our Safety Week and Rights Convention Gallery. Their work will be displayed in the Main Hall on Friday at 3:30pm until 4:00pm.

Yours sincerely

**Mrs Higgins-Carter**
