

Dear Parent/Guardian

We are the new catering provider at your child's school and are absolutely delighted to be involved in providing a great quality and nutritional meal. As we move towards our first day of service and the beginning of our relationship with the school and yourselves, we thought we would give you some information about Midshire Signature Services and relay some important information to you, that we require you to complete.

We are an independent contract caterer providing specialist catering, cleaning and support services, predominantly throughout the North West. Midshire Signature Services is a family run business and owned by husband and wife, Phil and Sue Bradwell.

We have some exciting activities starting, the first of which is our teaser campaign which will change each week in the run up to our first service on 5<sup>th</sup> June 2023. Look out for future theme and fun days, hosted by our friends from 'Planet Positive'.

***Mission Statement:***

***'We are positively passionate, personable and professional in all that we do'***

Your child's health and wellbeing is paramount to us, and you are required to complete the attached form and return it to [schooloffice@poultonlancelyn.wirral.sch](mailto:schooloffice@poultonlancelyn.wirral.sch) as soon as possible. We are aware that the school already holds a lot of this information, but we feel it is important that this information is updated on a regular basis to ensure that we, as the new caterer hold the correct details of your child's dietary requirements.

Yours faithfully
