

Understanding the World (The Natural World)

As scientists, we will:

- Learn about planet Earth and the other planets in our solar system
- Learn about the sun and the moon
- Compare and contrast wild animals and pets
- Learn about different habitats around the world
- Think about how animals are suited to different habitats

Expressive Arts and Design (Creating with Materials)

As artists, we will:

- Create artwork inspired by Vincent Van Gogh's *Starry Night*
- Create space wreaths
- Create 3D pet portraits inspired by Samantha Bryan

As designers, we will:

- Create a 3D rocket
- Work in groups to create part of a F2 bug house

Physical development

As athletes, we will:

- Take part in different Sports Day activities
- Work as a team to play parachute games
- Practise balancing while stationary and on the move

As computer scientists, we will:

- Use the *Doodle Buddy* app to design characters and place them in different locations around school
- Explore macro photography images and talk about what we notice
- Take macro photography style photographs of patterns in nature

F2 Summer Term

Learning Overview

Expressive Arts and Design (Being Imaginative and Expressive):

As musicians, we will:

- Listen and appraise different pieces of Funk music
- Explore and create using voices and instruments
- Revisit and sing a selection of nursery rhymes and action songs
- Share and perform music

Understanding the World (People, Culture and Communities):

As geographers, we will:

- Learn about features of planet Earth including cities, mountains, and oceans
- Compare and contrast England and Trinidad and Tobago

In Heartsmart, we will focus on:

Fake is a Mistake!

- Learn how to be kind and encouraging to others
- Learn about the importance of being honest
- Talk about things we are thankful for

'No Way Through' Isn't True!

- Learn that making mistakes is normal
- Learn about the importance of determination and resilience
- Learn to express how we feel about change

As learners of religion, we will:

- Identify people who help us
- Identify people we can trust
- Recognise how we can help others
- Read stories from the Bible about people who have been helped by God

Understanding the World (Past and Present):

As historians, we will:

- Learn about the history of space travel
- Learn about famous astronauts including Mae Jemison and Neil Armstrong
- Learn about the life of Floella Benjamin
