Week Ahead Information w/c 2nd November 2020

Mrs  
Arnold

## **Whole School Attendance w/e 23rd October 2020 = 98.5%**

Dear Parents,

I am pleased to write to you as we approach the Half-Term break. We have faced many necessary system changes and challenges but we have worked together to secure a positive return to school for the children. Despite assemblies, lunchtimes, playtimes and classroom arrangements being different, they have settled really well, getting back into the routines and familiarity of school life and their learning - we are very proud of how resilient and determined our children are. Parents evening telephone meetings have been successful in sharing key information with you and we hope you found this altered format useful too.

Thank you for your support and enjoy your Half-term break. With any luck we will enjoy some dry weather where Autumn walks and outdoor activities can be enjoyed!

Take care, keep well and we will see you in November.

Kind regards

Mrs Arnold

## Covid-19 Tests

*If you had a test because you had symptoms, you and anyone you live with must stay at home until you get your result.*

*Anyone in your support bubble must also stay at home until you get your result.*

On Friday 13th November we are supporting Children in Need day. It is a non-uniform day and we ask that, if possible, children wear something spotty.
