

## **Year 4 online home learning links for week beginning 22.3.21**

### **English**

In English this week, we are learning about different types of poetry. Follow the first link to find out about cinquains. We will be preparing to write our own cinquain about the rainforest/a chosen rainforest animal. We will also be comparing and contrasting this style of poetry with the William Wordsworth poem, 'Daffodils'.

### **Maths**

This week in Maths, we will be consolidating our knowledge on decimal numbers. We will x and ÷ by 10 and 100 and convert in the context of measures.

### **Science**

In Science, we will complete our learning on animal classification:

<https://classroom.thenational.academy/lessons/what-are-the-different-animal-kingdoms-6cyp6r>

### **Computing**

In preparation for recording your 'interview' with David Attenborough, watch this video to find out a little more about him:

<https://www.youtube.com/watch?v=2PRJL07-WK0>

### **Geography**

To sum up our work on the rainforest, we will be creating a double page spread in school to showcase our learning. Use these links to remind you about two of the key Geography elements: the layers of the rainforest and the water cycle.
