

New Small Group & Individual Music Classes Available! **(Singing, Guitar, Bass Guitar, and Piano)**

Starting on the 17th of April, we will be adding 6 new 20-minute small group classes alongside new 20/30 minute **individual** 1-1 lessons. These are available to students in years 2-6 on instruments such as guitar, keyboard, bass guitar, and singing. For group lessons there are no more than 3-4 students to ensure progress whilst offering a **fun band-style** and budget friendly alternative. We currently have offers on **singing (50% off 1-1)** and **bass guitar lessons (25% off 1-1)**.

Summer Concert and Weekly Practice Notes

As a bonus of starting lessons with BMastered, students get the opportunity to perform in our annual summer concert (open to family attendance). Parents & students will also get weekly lesson notes sent home on our in house software **MyMusicStaff**. This presents a perfect opportunity to stay involved in their learning and musical journey!

Cost

Group lessons cost £10 per session, with 5-7 sessions per term depending on term length. Payment is made at the start of each half term.

How to sign up?

These will be starting after the Easter break and will be allocated on a "first come, first served" basis. As we have a growing waiting list, I expect the slots will fill quickly, so if you are interested, please visit www.bmastered.co.uk/prices for lesson options and prices, or email me directly at admin@bmastered.co.uk.

If you are interested in taking 1 -1 lessons, we also have limited availability. If you enrol in group classes but want to transition to 1-1 at a later date then you will be given priority on the waiting list as a current student.

Alongside **playing guitar at the Football World Cup** last year, another highlight of the year was playing bass with James Morrison which you can see below:
