

12<sup>th</sup> April 2021

Dear Parents and Carers, Staff Members, Governors and Trustees of Oak Trees Multi Academy Trust,

I am writing with further details of the first Oak Trees MAT May Mile starting on Saturday May 1<sup>st</sup>.

The fundraising drive will raise money for the following important Wirral charities:

Claire House Children's Hospice – please see <http://www.clairehouse.org.uk> for further details.

Wirral Food Banks - please see <https://wirral.foodbank.org.uk/> for further details

We want our families, staff, Governors and Trustees to walk, run, swim or cycle as many miles as possible throughout May. Each week we will add up how many miles each school has completed to see how far around the world we have all 'travelled'. We are also hoping to get the press and local TV involved in covering the fundraiser as we see that this is a positive way of promoting both our schools and the importance of physical health and wellbeing amongst children whilst raising money for local charities, which is our key objective.

The May Mile is a great opportunity for all those involved with the Trust to improve their fitness after lockdown as well as raising money for important local charities, and we would ask that as many of you as possible take part.

When you have completed your fundraising, or if you wish to simply donate to our chosen charities, please donate at the following address:

**<https://uk.virginmoneygiving.com/OakTreesMultiAcademyTrust/1>**

The children have been learning about the charities in school, and we will be getting them (and their teachers) to complete some of their miles during the school day to reinforce the importance of physical fitness. Any further support you can provide at home would be much appreciated.

Please support us in our fundraising drive. The charities chosen by the children do amazing work in the local community, and we are hopeful that we can raise significant funds for local causes whilst improving our physical fitness at the same time.

Yours sincerely,

Tony Lacey

CEO Oak Trees Multi Academy Trust
