

## Liam's Diary – Planning Support

Here is how I would structure Liam's diary at the end of chapter 13.

|  |  |
|--|--|
| Intro  | Give a brief overview of what kind of day you have had (think about the revelation at the end of chapter 13). E.g. disastrous, horrendous, abominable, awful, terrible   |
| Paragraph one<br>(the journey to the Possibility Building) | <ul style="list-style-type: none"><li>▪ Driving with Florida to the Possibility Building – describe car and events</li><li>▪ Police arrive – how did you feel? Did your feelings change?</li></ul>   |
| Paragraph two<br>(inside the Possibility Building)         | <ul style="list-style-type: none"><li>▪ Describe walking into the Possibility building and seeing the Rocket</li><li>▪ Dr Drax says the children will go to space but not the adults - how did you feel knowing you <b>weren't</b> going to go to space whereas Florida was?</li></ul> |
| Conclusion   | What are you going to do now? How do you feel? What will you do tomorrow?  |

Remember, a diary entry must include the following features:

|                         |                                 |
|-------------------------|---------------------------------|
| Dear Diary,             | Date of writing                 |
| Past tense in main body | Thoughts, feelings and emotions |
| Introduction            | Conclusion                      |
| 1 <sup>st</sup> person  | Description                     |

I can't wait to see them!
