

**Lessons taught separately to our 'Fight for our Future' curriculum will be:**

- English
- Maths
- Computing
- PE
- Spanish
- RE
- PSHE

**As mathematicians we will...**

...solve number and practical problems that involve all of the above and with increasingly large positive numbers  
...interpret and present discrete and continuous data including bar charts and time graphs.  
...describe movements between positions as translations to the left/right and up/down  
...solve addition and subtraction two-step problems in contexts, deciding which methods to use.  
...recognise and write decimal equivalents of any number of tenths or hundredths  
...round and compare decimals up to two decimal places.

**In PSHE we will...**

...continue the Heart smart programme:  
...learning to forgive is important  
...ways to fix broken friendships  
...power of forgiveness (linked to RE)  
...good and bad stress.

**As readers we will...**

... read a range of fiction and non-fiction texts  
...make predictions and inferences based on the text we are reading  
...examine and understand the meaning of vocabulary in context  
...retrieve answers to questions from fiction and non-fiction text  
...summarise the key messages of a text  
...make predictions about what may happen next in a text

**Y4 additional subjects overview**

**Spring 2**

**As writers we will...**

... learn how to use determiners accurately  
...write multi-clauses sentence  
...learn how to develop our language choices for effect  
... write a range of fiction and non-fiction texts linked to our class book including persuasive letters, poetry and non-chronological reports and use the related grammatical skills  
...continue to study spelling patterns and the spelling of common exception words

**In our Rights Respecting Schools work we will learn about...**

...Article 6 – the right to a healthy life (linked to Healthy bodies, Healthy Minds day)

**As athletes we will...**

...learn basic grip and technique in netball  
... develop a range of passing techniques with a ball including chest pass and shoulder pass.  
... learn to play 7 a side netball.  
...learn to block and mark an opponent.  
...learn to use control and pivoting with foot work

**As computer programmers we will...**

...ensure we are being safe online  
...recognise fake news  
...learn to use i-movies

**In Spanish, we will learn...**

...the names of months of the year  
...how to describe the different seasons  
...how to have conversations about the weather.

**In RE we will...**

... learn about special events within the Easter story  
...learn about the disciple Peter.  
...learn about friendship and forgiveness with the disciple's ministry.  
...learn about the last supper
