Week 17

Year 4 - Week 17

This week in a nutshell:

- Mental methods for multiplication and division this week focus on questions which involve multiplying and dividing multiples of 10 by single digit numbers. Mental addition and subtraction focus on adding and subtracting three or more single digit decimals mentally.
- Written questions continue to cover the full range of year 4 objectives.
- Fraction questions continue focus on children adding and subtracting fractions with the same denominators within one whole.
