Key Vocabulary

Christianity	Large group of religions who believe that the son of god was born a man - Jesus of Nazareth - over 2000 years ago. Christians believe Jesus was also Christ (or God), hence the name Christianity..	Saul Paul	Saul (later known by his Roman name, Paul) was an extremely zealous Jew who believed that those who followed Jesus were blaspheming God. He even hunted for followers of Jesus so he could arrest or kill them for what they believed.
Bible	The Bible is a collection of sacred books written by ancient prophets and historians. The Bible is made up of 73 books within one Bible. Christians study the Bible.	Simone Biles	American gymnast who became the first woman to ever win four all-around world championship titles in 2018.
journey	A journey is going through one place to another. Journeys happen in life as you grow older. In life you go through many beginnings. Life is a journey and it's about growing and changing.	resilience	Resilience is the ability to bounce back after challenges and tough times.
personal growth	Personal growth is a process of both understanding yourself and pushing yourself to reach your highest potential. It means always asking yourself who you are becoming and how you plan to get there.	Jesus	Christians believe that he is the son of God and was sent to save humans from sins they had committed. He was born to two ordinary Jewish people called Mary and Joseph. Once he was an adult, Jesus travelled all over the country teaching people about God and encouraging people to respect and love one another.

WHAT?

1

A journey is going through one place to another. Journeys happen in life as you grow older. In life you go through many beginnings. Life is a journey and it's about growing and changing and coming to terms with who and what you are, and loving who and what you are. A journey reveals who you are and what you are made of.

2

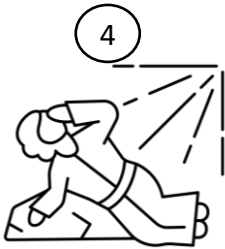

26 year old American gymnast Simone Biles, made sporting history in 2018, just days after leaving a hospital! She became the first woman to ever win four all-around world championship titles in 2018. It nearly all went wrong for her. She had a kidney stone which often needs an operation. She had to go to a hospital! She didn't let this stop her. Simone turned up the next day and showed why she's such a good gymnast.

3

The road to Damascus is an important point in someone's life where a great change, or reversal, of ideas or beliefs occurs. Saul had an important moment where a great change occurred. In the Bible, Ananais is sent by Jesus to visit the blind Saul of Tarsus. Ananais lays his hands on Saul and Saul is healed by the power of God. Saul then becomes a follower of Jesus and later becomes Paul the Apostle.

4

Saul (later known by his Roman name, Paul) was an extremely zealous Jew who believed that those who followed Jesus were blaspheming God. He even hunted for followers of Jesus so he could arrest or kill them for what they believed. Saul was healed and then becomes a follower of Jesus and later becomes Paul the Apostle.

5

Jesus had been into the Temple and told the people to treat it with respect and not make money from it. When he came back into the Temple after riding into Jerusalem and found the situation worse than ever, Jesus became very angry and started to throw the cheats and traders out of the Temple.

6

Developing the resilience to help overcome the challenges and choose how to respond to the challenges is critical. Resilience is the ability to bounce back after challenges and tough times. It is always good to remember that you can always turn things around if you change how you respond to things.
