

Dear Parents,

11<sup>th</sup> June 2020

You have received a letter earlier today from the Trust CEO explaining that our Multi-Academy Trust schools will begin the phased process of opening to more pupils from Monday 15<sup>th</sup> June 2020.

As outlined in my previous letter dated 28<sup>th</sup> May 2020, at Poulton Lancelyn this will still be implemented in 3 phases:

**Phase 1 (completed from w/b 1/6/2020)** – Pupils of key workers and vulnerable pupils return to school. Increased numbers have been accommodated due to eligible parents returning to work.

**Phase 2 (15/6/2020)** – Foundation 2 pupils will start attending. Pupils will be split across 4 classes. Start times and finish times will be staggered to ensure safe numbers of adults and pupils are on site.

**Phase 3 (17/6/2020)** – Year 1 pupils will start attending. Pupils will be split across 3 classes. Start times and finish times will be staggered to ensure safe numbers of adults and pupils are on site.

**Unfortunately, due to the high number of key worker children, bringing Year 6 children back to school safely remains currently not possible.** We will review our school provision at the end of June and decide whether we are able to complete a further phase of reintroducing Year 6 to school in July. This will depend on several factors: Staff availability, the number of returning pupils, the suitability of rooms and our confidence that all groups can maintain the strict social distancing and infection control measures.

Years 2, 3, 4 and 5 are not identified as priority year groups by the Government.

## Home Learning

Staff will continue to provide home learning for all year groups but reflect the increased teaching commitments in school:

- When F2 pupils return, F2 staff will cease to use the Seesaw Learning Platform; non-attending pupils will be directed to Oak National Academy for lesson resources
- When Y1 pupils return, Year 1 staff will cease to use the Seesaw Learning Platform; non-attending pupils will be directed to Oak National Academy and BBC Bitesize for lesson resources
- All other year groups will continue to access home learning via Seesaw
