

Dear Parents and Carers,

20th March 2020

I am writing to say a big thank you to all the staff, children and families of Poulton for their support this week.

This has been an incredibly difficult and challenging time for everyone, and at Poulton in particular with Mr. Arnold in hospital, hopefully showing signs of improvement, and school closures impacting on everyone. However, we have got to a point where we are organised moving forward, and we have a plan whereby we can deliver the Government's promise of childcare for as many children as practically possible whilst ensuring that pupils at home are able to access workbooks and activities via the school website which will hopefully provide them with some education and support over the coming weeks. We will endeavour to keep you all informed moving forward about the prospect of re-opening via the school website, texting service or by simply watching the news.

Finally, thank you again to the staff at Poulton. I have been blown away by the level of professionalism and dedication shown by everyone, particularly in the absence of Mrs. Arnold, and I am immensely proud to be the CEO of a Trust which has such wonderful schools as Poulton Lancelyn.

Thank you and take care,

Tony Lacey

Chief Executive Officer

Oak Trees Multi Academy Trust
