

Poulton Lancelyn Primary School

Dear Parents,

17th December 2020

As we end the Autumn term today, I would like to express how proud I have been of the progress the children have made this term. They have approached lessons, activities and routines with a clear sense of determination to do their very best. For this I would like to express thanks to the children themselves, the staff and Governors who work tirelessly to provide focused learning and pastoral care and last, but not least, parents and families for supporting the work that is done. Whilst many of our usual visits and activities remain paused, it has been a pleasure to spend time during this term in classrooms and see the independence, capabilities and kindness of the children on display every day.

Once again my particular thanks must be given to our hardworking and committed PTA for the variety of events on offer this term for the children despite the challenges that COVID restrictions have created. (Santa Dash £549.05 Break The Rules Day £654.00). All money raised goes back into supporting school development and activities for the children

Finally, many thanks for the cards, gifts and kind words we have received over the past few weeks – it is very much appreciated.
