

Dear Parents,

19th March 2020

Pupil Work Packs

Pupils will bring a Work Pack home with them tomorrow night which will include *CGP Books*. This will be additional to the work packs that are currently being uploaded to the school website, under the tab "Homework During Closure". This tab will have been completed by Monday.

Please complete these activities at a steady pace and use these ideas to create further learning with your children. There is also a website link tab that is currently being developed for further learning opportunities. This work is for independent learning and does not need to be returned to school.

If you need log-ons to websites, such as *Mathletics*, please contact the school office.

Regular updates will be posted under the Covid-19 tab, so please check these regularly.

If your child is absent from school, and you are unable to collect the pack yourself, please make arrangements for someone to collect it on your behalf. These packs will be located outside the school office tomorrow morning from 10:00am till 3:00pm.

Thank you
