

Dear Parents and Carers,

21st April 2020

Welcome back to the new Summer Term, I hope you all had a lovely Easter and managed to relax as much as possible.

We have updated our website with new "Work Packs". There is one for every year group and they can be found under the section "**Homework During Closure**".

Also, The Department for Education have advised schools of two on-line classroom and resource hubs.

They are:

The Oak National Academy at <https://www.thenational.academy> (which offers 180 video lessons each week across a broad range of subjects. Reception through to Year 10)

BBC Bitesize, an educational package across TV and on-line featuring celebrities and teachers, helping to keep children learning at home and supporting parents:

<https://www.bbc.co.uk/bitesize>

Over the coming weeks teaching staff will direct parents to specific lessons that are particularly useful to access, please also check the website regularly. Thank you for your support and keep safe.

Yours sincerely,

Mrs C Arnold
Headteacher
