Whole School	<p>Reminders:</p> <p> Please do not arrive at school before the designated drop off and collection times. We are still operating under the Covid restrictions as explained in my previous correspondence.</p> <p>Parents who arrive early and wait for the school gates to open are blocking pavements and walkways. This creates a safety hazard as adults and children are then forced to step into or walk on the busy roads.</p> <p>Please do not let your child(ren) ride scooters or bikes once they enter the school site. Everyone must stay on the designated pathways/one-way system. Children should be supervised at all times and must not enter the school car parks.</p> <ul style="list-style-type: none"> -Can we please remind you that children should not bring watches with cameras into school. - Please can you ensure your child knows what you have ordered for them for their lunch each day. Some children this week have been unsure what they should be having for their lunch. - We would like to invite parents to view a new video made by the Rights Crew explaining why we are a Gold Rights Respecting school and what the Convention of Rights are, this can be found on the school website (<i>pathway - Key Information/ Rights Respecting School</i>)
