

5th October 2021

Dear Parents,

We are, once again, supporting the **Teams4U** shoebox appeal this year .

We will again adopt the collection process from last year as it worked really well and your support was greatly appreciated.

Each child will bring home a shoebox leaflet giving clear details and instructions on how to put together your own completed shoebox.

It is our hope that some families will feel able to get involved and bring a completed shoebox into school by **Friday 19th NOVEMBER**.

We have a limited amount of flat pack Teams4U shoeboxes which are available on a first come first serve basis from the school office.

However, you are more than welcome to decorate your own shoebox as has traditionally been the case.

There will also be a non uniform day on Friday 19th November to help raise money towards the transportation costs of the shoeboxes which has remained at £2.50 per box. We therefore request a minimum donation of £1 per child. Thank you.

We are very excited about this project and hope that you will be able to support us. More information about this and other Teams4U projects can be found at www.teams4u.com .

Yours sincerely,

Mrs Arnold

Headteacher

THANK YOU!
