Wise Use of Leisure

Following a chosen hobby for a minimum period of 3 months eg. Use of library, membership of uniformed organisation, learning to play a musical instrument.

The person leading the activity must sign for this, not parents or pupils.

Local Awareness Project

You will complete a Local Area project as part of the Year 3 curriculum this year. Your class teacher will sign this section for you. Alternatively, you can complete your own project about the local area that interests you. The project needs to be done independently and to the very best standard you can achieve. Again, you will need to show this to your teacher so that they can sign this section.

Service to Others

Or

If you have any questions relating to these activities, please see your class teacher.
