

Dear Parents,

26th November 2019

Further to my previous correspondence regarding parking issues around school. I have recently met with local Councillor, Cherry Povall and The Highways Officer. Following the Highways Officers advice, we have now removed the cones on the corners of Venables Drive.

I am pleased to inform you that the Highways Officer has also forwarded my request for double yellow lines, on each corner of Venables Drive, to Wirral Borough Council. While we are waiting for this to be implemented, I would politely ask for everyone to please park responsibly and to continue to be respectful to local residents.

We will also be having visits from Traffic Wardens and the Police Camera car.

Please also note that the school car park is **strictly for staff only** and children must not be dropped off or collected from this area at any time. Adults and children must not "cut across" school car parks and grass areas - please stay on the designated pathways.

The ongoing safety and welfare of our pupils is of paramount importance at all times. Our Road Safety team will continue working closely with the Community Police on these issues.

Please pass this message on to carers, childminders, grandparents and friends and family who may also drop off, pick up and park around the school. Thank you for your support and continued co-operation.

Yours sincerely,

Mrs C Arnold
Headteacher
