To understand the meaning of suffixes

Suffixes are groups of letters which are used to change the meaning of verbs.

Suffixes	-less (without)	-ful (full of)
A suffix is an 'ending', used at the end of one word to turn it into another word.	care**less**	care**ful**

Have a think about the following suffixes. Use the examples to work out what their meaning is (use a dictionary if you aren't sure!).
