

Week Ahead Information - w/c 21st September 2020

Mrs Arnold	<p>Whole School Attendance w/e 18th September 2020 = 98.5</p> <p>The children have settled well with their 'new' teachers this week and are fully back into their stride with full curriculum learning. Assessments took place within the first 2 weeks of term so that any gaps in learning created during lockdown can be addressed effectively in the coming weeks. Plans are in place for any pupils that would benefit from specific support - more information will follow if this applies to your child.</p> <p>Many of you have completed the survey monkey this week to enable us to shape our Home Learning Strategy in the event of a local lockdown or 'bubble' closure. Let's keep our fingers crossed that this does not become a reality as we definitely prefer to have our pupils in school learning with their teachers and teaching assistants. We are, of course, a fully inclusive school and so the Home Learning Strategy will reflect the needs of our whole community. More to follow on this.</p> <p>Thank you for adapting quickly to necessary changes to drop-off and collection arrangements this week - we have seen very calm starts to the school day and swift departure from our site at the end of the day. However, from Monday, we request that parents wear a face covering when attending the school site and the surrounding pavement areas. Whilst it is apparent that social distancing is fully attempted there are certain zones where this continues to be challenging to achieve due to the volume of adults and children at any one time. Many thanks for your cooperation and support.</p> <p>Kind regards Mrs Arnold</p>

WHOLE SCHOOL REMINDERS	<p>Parking</p> <p><i>It has been brought to my attention that a car was parked dangerously on the corner of Venables Drive at home time yesterday. I know the vast majority of you always park appropriately and with consideration and that most of you probably find the regular communication about this frustrating. The ongoing safety of our pupils is of paramount importance at all times. Please be considerate and mindful when parking.</i></p> <p>50th Anniversary</p> <p><i>Reminder that this academic year marks the 50th anniversary of Poulton Lancelyn.
