

Poulton Lancelyn Primary School Association

Charity No 10437810

Dear Parents and Carers,

11th February 2021

We want to fill every classroom at Poulton Lancelyn with beautiful books, as they are the foundations of our curriculum; stories that inspire and engage, books that promote social and emotional well-being; stories that give us role models to aspire to and guide us to make better choices for our world.

Due to the current pandemic we have been unable to fundraise in our usual ways so we are asking for your support of the PTA by creating this book wish list.

In consultation with the teachers, we have created a wish-list filled with year group appropriate books, we are asking for help to build up the year group libraries and shape our children's minds. If you are able to support us, please purchase a book (or books!) from the link below.

Furthermore, if you are able to share the link we would be very grateful. If you choose to leave a 'gift note' it will be placed in the front of the book.

Thank you very much
