

Friday 28th February 2020

weeks → burning → too hot
villagers collect firewood
stay inside milk cows
Lila, Mama, used Fed up
brother hopeless village garden
early one morning early one morning middle of day

at night Lila walked
highest mountain worried one
evening tells sky sadest things she knew hopeful one night

nothing happens while sun was still sleeping
then Lila started weeping breeze blew dancing clouds covered sun grew darker lightning split sky in half thunder echoed around mountain raindrop fell onto Lila's hand merry one morning

Lila To story map events

one evening → Grandfather → sun still sleeping
over heard told her about rain tied middle of day
Mama talk (secret) shocked middle of day
about no life petrified middle of day

looks each time after each sadest time at the sky see and rain Fed up while sun was still sleeping
nothing happens while sun was still sleeping
Lila telling the mountain without food the villagers be sick tell is dry without water there can be no life disappointed

each raindrop felt like Mama's kisses happy early one morning
Lila ran down the mountain to the joyful village middle of day
villagers dancing - happy proud middle of day

Mama gives Lila hug amazed middle of day
as only Lila and one evening Grandfather knew that Lila had saved the village joyful
